## PROFESSIONAL EXPERIENCE

### Anteriore Inc.

Nov 2023 - Present

#### Full Stack Web Developer

- Developed clean, efficient, and maintainable code that aligned with design specifications and functionalities.
- Verified the correct integration and interaction of various components.
- Created and incorporated APIs into frontend components.
- Integrated third-party SDKs such as OpenAI, and Stripe to our projects.
- Maintained website responsiveness.

#### Projects Made:

- Hammershift - A gaming website made for car enthusiasts.
- AI Assistant - A math tutorial app made for students and teachers.

### TERP Asia Construction Corporation

Oct 2022 - Sept 2023

#### IT Staff/Payroll Clerk

- Ensured accurate weekly payments for workers by efficiently extracting, analyzing, and encoding biometric attendance data.
- Assisted in installation of biometrics in various project sites.
- Played a pivotal role in the implementation of a third-party automated payroll system.

### Starlite Ferries Inc.

Aug 2019 - Sept 2020

#### Deck Cadet

- Helped the officer on watch with navigation and monitoring duties, including lookout duties, monitoring radar and other navigational aids.
- Participated in the maintenance of the ship's deck, including painting, chipping, and minor repairs.
- Assisted with the loading and unloading of cargo, ensuring it is properly stowed and secured.

---
